SOVIET UNION¹

1. Marshal Josef V. Stalin, Chairman of the Council of Ministers of the Soviet Union, represented the Soviet Union at the Conference.

2. The following also attended one or more interdelegation meetings:

Vyacheslav M. Molotov, Foreign Commissar;

Marshal Klement E. Voroshilov;

Vladimir N. Povlov, Interpreter and Secretary;

(V. M.?) Berezhkov, Interpreter and Secretary.

¹ This list is based on the lists of those present at the individual meetings of the Conference. Other Soviet citizens, who did not attend meetings, were presumably also present but are not named in the available sources. Some of the unofficial sources refer to the numerous guards who accompanied Stalin. As noted in the Log of the Presidents Trip (ante, p. --), an honor guard, composed in part of Soviet Soldiers, participated in the tripartite sword presentation meeting of Nov. 29, 1943.

Other Military Personnel attached to the Delegation:

Marshal of the Soviet Union G. K. Zhukov

Marshal of Aviation Fallalev

Marshal of Aviation F. Ya. Fodalev
